

Minnesota Builders Exchange 2015 Golf Tournament

Event Recap

This year, our annual golf tournament filled up quickly. By the end of May, all 144 places were filled for the June 17 event date! Golfers, sponsors and guests all agreed that the tournament is one of the most popular events hosted by the Minnesota Builders Exchange and The Builders Group (TBG). All eyes kept watch on the skies as radar had us surrounded with rain clouds and scattered thunderstorms. However, unlike last year, Mother Nature had our best interests at hand, spitting out only a few drops of rain throughout the entire event. Majestic Oaks Golf Club provided a new and exciting location, great food and services for all 144 golfers, staff and committee members. A social hour and buffet dinner, combined with door prizes and a short program, allowed for recognition of awards and announcements of some awesome raffles!
