

Minnesota Builders Exchange

2019 Holiday Party North

EVENT RECAP

Deep snow and icy roads couldn't keep attendees away from the Holiday Party North at the Greysolon Ballroom in Duluth, MN on December 5, 2019. Members enjoyed drinks and networking opportunities before the sit-down dinner and program, with many flaunting their ugliest Christmas sweaters in hopes of winning the ugly sweater contest. The program remembered the previous Duluth Builders Exchange and welcomed their merger into the Minnesota Builders Exchange, with Executive Director Tom Getzke getting up to say a few words. Thank you to all sponsors and attendees for making this event a success.
