

## 2021 Sporting Clays North

Eighteen teams with nearly 100 shooters didn't let a few early sprinkles ruin an otherwise perfect day of shooting, fun, and socializing at the MBEX Sporting Clays North event on September 8 at Old Vermilion Shooting Preserve in Duluth, Minn. The day started out with a 50-round sporting clays shoot on one of the toughest courses in the state. I'm proud to report that our female shooters competed quite well. **Victoria Smith** from Maverick Cutting and Breaking's score of 23 was the top female score, outshooting many of her male counterparts! There was a three-way tie for top male shooters with scores of 45: **Brian Jackson**, **David Salo**, and **Todd Yrjanianen**. A crowd gathered to watch as teams of two finished the day of shooting by testing their shooting and loading finesse with a 24-bird flurry shoot that lasts less than a minute. Several two-man teams scored 18's in this shoot. A social hour, BBQ dinner, awards and prizes were the finishing touches on the day.
