

Minnesota Builders Exchange

2021 Sundew Boat Cruise-Duluth

On the very Duluthian-weathered evening of July 14, MBEX and co-host, The Builders Group (TBG), set sail on Lake Superior aboard the retired Coast Guard Cutter, Sundew. About 100 members from the Twin Cities and Duluth, including Board Members, Tom Getzke, Don O'Connor, new membership & communications manager Ashlee Hartwig, and a couple of past Board Presidents, boarded the vessel.

Attendees enjoyed dinner, drinks, and a cruise around the harbor as well as a short sail up the shoreline past the Glensheen Mansion and back.

A very special and appreciative thank you goes out to Jeff and Toni Foster, owners of the Sundew, and their operating crew of volunteers.
