## 2021 Annual Meeting Recap

The Minnesota Builders Exchange officially kicked off its 133<sup>rd</sup> year of business at the Annual Meeting on Wednesday, January 13, 2021. Members joined MBEX staff and board of directors for our first digital member gathering. Upon joining the zoom meeting, attendees watched as current MBEX Board President Danielle Dziedzic of Dziedzic Caulking reviewed business operations of the organization during 2020.

After a financial briefing, MBEX Executive Director Tom Getzke announced the results of the recent board of directors election. During November and December, members voted electronically for the top three individuals among six candidates, elected to serve a three-year term on the board beginning in 2021. The meeting continued as Board President Dziedzic concluded her tenure, signified by the passing of the presidential gavel to 2021 Board President, Erik Molin of Molin Concrete Products Co. Erik enthusiastically accepted his new role on the board and ended the meeting after presenting member recognition awards and sharing his 2021 vision of fostering industry partnerships, membership growth and digital advancements.
