## Twin Cities Golf Tournament

# EVENT RECAP

Last Thursday, June 23, was a bright sun-filled day to be out on the greens of Oak Glen Golf Course in Stillwater. Over 100 golfers joined MBEX for an afternoon of golf, networking, and camaraderie. It was a hot 90-degree summer day, but a cool breeze (and a Bloody Mary station) helped beat the heat. Following a grilled lunch, golfers were off with the shotgun start for 18 holes of golf play. Numerous MBEX committee members could be found at check-in, around the course, and during dinner once the tournament was complete. Several past presidents also presided over Hole 9, selling raffle tickets to benefit the MBEX Scholarship Fund (more than a few laughs were had, too). Thank you to Oak Glen for their hospitality and fantastic staff, the MBEX member companies who participated in the tournament, but also as hole sponsors and event supporters.

- **1st Place:** Sun Mechanical (-19)
- **2nd Place:** County Materials (-15)
- **3rd Place:** Shaw Lundquist (-11)
