## 2014-2015 Scholarship Recipients

Donating partner  
The Builders Group

The Minnesota Builders Exchange (MBEX) and our donating partner, The Builders Group (TBG), are pleased to announce the annual scholarship results. Having received a record number of 76 applicants, the Scholarship Committee dedicated much time and energy to determining the most qualified individuals as recipients. Seven students were selected to receive awards ranging in amounts from \$4,000 to \$1,000.

These students have met and/or exceed the necessary qualifications to represent our organization at their respective educational institutions with a scholarship, as provided by the funds established via member events and generous contributions from our member companies.
